PACK NEWS

Pinewood Derby

On January 29, we will hold our annual Pinewood Derby. This is one of the largest events on the Scout calendar each year and promises to be so once again.

You should have your car kits by now and hopefully the boys are well

underway in their work on the cars. Please reference the [Pack website](#) for important rules regarding car construction!

New this year is the "Parent Race", a new race in which you Dads, and Moms, may build your own car and race against other parents. The only

rules for the Parents Race are those regarding car weight and size.

Don't forget to arrive at least 45 minutes prior to your scheduled race time for car inspection. Any car arriving after inspection has closed may be denied entry to the race.
