**CUBMASTER'S CORNER**

This month's Cub Scouting's Core Value is **Responsibility**:

"Fulfilling our duty to God, country, other people, and ourselves. Being responsible is being dependable and doing what you say you will do." Baloo's Bugle, Sept. 2011. Here are some everyday ways that we need to be a responsible Scout. At school, we need to get our homework done and follow the rules. At home, we have to do our chores and clean up our rooms. On the playground, we have to play nicely with others and treat each other like we would like to be treated.

As a Scout, we have a responsibility to do our best, to help other people and to obey the Law of the Pack. Always remember, that as Scouts, we are responsible to make good choices and to be good role models for others.
